KILOWATT

VENTURES LLP

COMPANY PROFILE

Hi!

WE ARE KILOWATT VENTURES, YOUR GO TO GIFTING STOP!

Since its founding in Mumbai, India, in 2013, Kilowatt Ventures LLP has become a fast growing organization specializing in customized design and manufacturing services for t-shirts and other custom gifting options for corporate organizations as well as brands.

Kilowatt Ventures LLP offers a wide range of branded and unbranded custom products and services with the help of our associates, partners and strategic tie-ups to bring to you multiple options that are best suited to your needs.

Behind the scenes

The founders - Shlok Sahgal & Snehaa Khanna Sahgal
Shlok has a background in finance and marketing and has worked in various industries such as Insurance, Banking and Food production.
Sneha has a degree in Fashion and Technology from the prestigious National Institute of Fashion Technology and has vast experience in the Design, Clothing and Fashion industry.
They bring together their respective strengths of Marketing, Finance & Business acumen with creativity, design and an in-depth understanding of production and manufacture to cater to your unique needs. They work with their team and associates to bring to you products and services that fit your vision, pockets and brand.

here's

What we offer

Categories

Custom Clothing

We design and customize branded and unbranded clothing. Ranging from round neck, sports jersey and polo t-shirts to trackpants, uniforms, active wear shorts, hoodies, jackets and lots more. Branded and Unbranded products are possible in this category

Drinkware

Colour changing and other mugs, bottles, break free glasses and lots more is possible to spice up your merchandise and give aways in our drinkware and barware section. Branded and Unbranded products are possible in this category

Headwear

We offer a variety of custom hats and caps in various styles and qualities to fit your brand and budgets. Branded and Unbranded products are possible in this category

Custom medals, awards & trophies

Anything customized and we specialize in it. Having worked with so many marathons and companies for their awards and gifting requirements ranging from customized medallions to trophies to custom die cast medals and momentos - the possibilities are as wide as your imagination.

Stationery

Customized stationery is one of the most popular gifting category. Reason? It helps you gift merchandise that are utilized on a regular basis - pens, post its, recycled pencils, plantable stationery and the list goes on. Branded and unbranded products possible.

Categories

Woodwork & Other Boxes

We curate quality custom woodwork - coasters, plaques, momentos, desk utilities and displays, hamper and other boxes, custom trays and so much more for your brand and needs.

Electronics

We work with quality brands offering various products and various price points ranging from speakers, earphones, torches, portable chargers, desktop merchandise and lots more to help you pack in a punch when you think gifting.

Silicone & PVC

Food grade and non food grade Silicone and PVC products are a great gifting option that can speak volumes about your brand while being fully customizable - 2d/3d products are all possible.

Custom Bags

Paper, fabric, non woven, leather, leatherette, laptop style, sling style, backpacks, shopping style, gifting, school are just some of the many bags we curate and customize for you. Branded and Unbranded products are possible in this category

Diaries & Journals

Another popular segment is our quality range of diaries and journals that are branded and unbranded and can be fully customized to your requirements.
